

**REILLY ELEMENTARY SCHOOL**  
**FIRST GRADE**  
**SUGGESTED CLASSROOM SUPPLIES**

Listed below are supplies that we suggest students bring to class this year. This suggested list has been compiled based on needs identified to support the first grade curriculum.

*Please note that the Constitution of the State of California requires that we provide a public education to you free of charge. Your right to a free education is for all school/educational activities, whether curricular or extracurricular, and whether you get a grade for the activity or class. Subject to certain exceptions, your right to a free public education means that we cannot require you or your family to purchase materials, supplies, equipment or uniforms for any school activity, nor can we require you or your family to pay security deposits for access, participation, materials, or equipment.*

*Therefore, while this list suggests that students bring a number of items, they are considered voluntary. No student will be restricted from participation if they are not sent to school.*

Please do not send larger quantities of coloring items or they will be returned. They occupy too much space in our pencil boxes.

Please remove items from the packaging and place them in a gallon-size plastic bag with your child's name on the bag.

Crayola products last longer and work better. Many of the Rose Art products do not last very long and are often difficult to work with.
