

THE Counseling CONNECTION

Reilly Elementary

Cristina Nalbach, MA, PPS email: crnalbach@capousd.org

October is Bully Prevention Month!

It has been wonderful getting back into the classrooms and this month we are focused on bully prevention lessons. Kinder and 1st grade will be receiving a special lesson about a pumpkin named Spookely, the square pumpkin. We will be discussing how to include others and share our special qualities. Second through 5th grade will be receiving Second Step Bully Prevention Lessons, how to recognize and report bullying.

Students are learning to identify bullying: Does the behavior happen over and over again? Is it mean and on purpose? Is it one-sided or unfair?

On Wednesday October 20th, we will be recognizing Unity Day by wearing a shirt with a positive message or phrase or our Reilly spirit wear! Additionally, students can take a pledge on Thursday, October 21st to stand up against bullying!

For more information on Bully Prevention month check out:
